● ABOUT US

Who We Are

AUSM Studios is a creative powerhouse dedicated to the art of animation and motion design. We transform ideas into visually stunning, frame-by-frame experiences that captivate audiences and drive results for brands across the globe.

Founded by a team of passionate animators and storytellers, we partner with startups, agencies, and global enterprises to deliver work that is not just beautiful, but strategically powerful. Every project we touch carries the AUSM signature: bold, precise, and unforgettable.

VISION

To be the world's most imaginative animation studio, where every pixel tells a story and creativity knows no bounds.

MISSION

To craft compelling animated experiences that inspire audiences, elevate brands, and redefine the boundaries of visual storytelling.

● SUPPORT TEAM

The People Behind the Magic

Our greatest asset is our people: a collective of visionary artists, technical wizards, and storytellers who give everything to every frame.

Abhay Yadav

MANAGEMENT & TECHNICAL SUPPORT

The backbone of AUSM Studios' operations. Abhay ensures every project is executed with precision, managing workflows, technical infrastructure, and team coordination so creativity is never constrained by logistics.

Utkarsh Satpute

3D PRODUCTION HEAD

Utkarsh leads all 3D production at AUSM Studios, from concept sculpting and environment design to final render and compositing. His meticulous eye for detail defines the studio's cinematic 3D signature.

Shivaji Dhawale

EXECUTION MANAGER

Where vision meets delivery. Shivaji drives project execution from kickoff to final handoff, managing timelines, client communication, and cross-team coordination with calm authority and sharp focus.

Mihir Chitte

CREATIVE DIRECTOR & SALES & MARKETING

Mihir shapes the creative identity of every campaign while driving business growth. His rare blend of artistic direction and commercial instinct keeps AUSM Studios at the cutting edge of the industry.

● STUDIO CULTURE

One Team, One Frame

Every artist at AUSM works cross-functionally, from concept art to final compositing, so nothing gets lost in translation between departments. It's how a small studio consistently delivers work that feels like it came from a much bigger one.

LET'S WORK TOGETHER.

Have a project in mind? Whether it's a quick conversation or a detailed brief, we'd love to hear from you. Great work starts with a single message.
